JENNIFER J. PHILLIPS, CPA, PLLC
CERTIFIED PUBLIC ACCOUNTANT

INDEPENDENT AUDITOR'S REPORT

Board of Directors
Make Way For Books
Tucson, Arizona

I have audited the accompanying financial statements of Make Way For Books (an Arizona nonprofit organization), which comprise the statements of financial position as of June 30, 2020 and 2019 and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United State of America. This includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error.

Auditor's responsibility

My responsibility is to express an opinion on these financial statements based on my audits. I conducted my audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Make Way For Books as of June 30, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Supplemental cash flow information:
No cash paid for interest or income taxes in 2020 or 2019.

See Accompanying Notes.

NOTE 1 – Organization and purpose

Make Way For Books is a not-for-profit organization incorporated under the laws of Arizona on January 9, 1998. The purpose of Make Way for Books (MWFB) is to give children the chance to read and succeed. MWFB is committed to giving young children the opportunity to develop emergent literacy skills that help them to thrive in the classroom and throughout life. MWFB fosters the success of children through cultivating the love of books and reading. MWFB's highest priority is to serve economically disadvantaged young children and families in southern Arizona. Since 1998, MWFB has provided a comprehensive continuum of services to strengthen a culture of literacy in the community by developing and implementing research-based early literacy programs and resources that reach young children and families at low-resource preschools/childcare centers and at other community locations. MWFB uses a variety of proven strategies to empower children with the skills they need to thrive by reaching them with quality early literacy experiences before they enter kindergarten.

During the year ended June 30, 2018, the IRS approved the tax-exempt status of Make Way for Good, Inc., a Section 509(a)(3) supporting organization of MWFB. Make Way for Good had no activity through the year ended June 30, 2020. Any future activity will be consolidated with the financial statements of MWFB.

NOTE 2 – Summary of significant accounting policies

Cash and cash equivalents

MWFB considers all cash and highly liquid investments with an original maturity of three months or less which are neither held for nor restricted by donors for long-term purposes, to be cash and cash equivalents. Cash and highly liquid financial instruments restricted to building projects, endowments that are perpetual in nature, or other long-term purposes are excluded from this definition. MWFB has no restricted cash as of both June 30, 2020 and 2019.

Unconditional promises to give

MWFB records unconditional promises to give that are expected to be collected within one year at net realizable value. Unconditional promises to give expected to be collected in future years are initially recorded at fair value using present value techniques incorporating risk-adjusted discount rates designed to reflect the assumptions market participants would use in pricing the asset. In subsequent years, amortization of the discounts is included in contribution revenue in the statements of activities. All receivables at both June 30, 2020 and 2019 are due within one year.

MWFB determines the allowance for uncollectable promises to give based on historical experience, an assessment of economic conditions, and a review of subsequent collections. Promises to give are written off when deemed uncollectable. Management believes that all receivables are collectible, and, accordingly, has recorded no allowance for uncollectible amounts.

Other assets

Beginning in March 2017, MWFB entered into a contract with a mobile application developer to expand the uses and capabilities of MWFB's early literacy app. Costs related to application, infrastructure and graphics development were capitalized. During the year ended June 30, 2019, the project was completed. Amortization is computed using the straight-line method over the estimated useful life of the app of four years. Content development and operating costs are expensed as incurred.

Trademark costs are recorded at historical cost. Because the trademarks have indefinite lives, the costs are not amortized but will be evaluated for impairment on an annual basis. MWFB has determined that there were no indicators of asset impairment during both of the years ended June 30, 2020 and 2019.

NOTE 2 – Summary of significant accounting policies – continued

Property and equipment

Purchased property and equipment is carried at cost. Donated property and equipment are carried at the approximate fair value at the date of donation. MWFB capitalizes purchases in excess of $1,000 with a useful life of more than one year. Maintenance, repairs and minor renewals are expensed as incurred. Depreciation is computed using the straight-line method over the estimated useful life of the asset.

MWFB reviews the carrying values of property and equipment for impairment whenever events or circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. When considered impaired, an impairment loss is recognized to the extent carrying value exceeds the fair value of the asset. MWFB has determined that there were no indicators of asset impairment during both of the years ended June 30, 2020 and 2019.

Net assets

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net assets without donor restrictions – Net assets available for use in general operations and not subject to donor restrictions.

Net assets with donor restrictions – Net assets subject to donor (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that the resources be maintained in perpetuity.

MWFB reports contributions restricted by donors as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends, or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

Revenue and revenue recognition

MWFB records fundraising events revenue equal to the cost of direct benefits to donors, and contribution revenue for the difference. All goods and services are transferred at a point in time.

MWFB recognizes contributions when cash, securities or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met. MWFB's federal, state and certain other contracts and grants are conditioned upon certain performance requirements and the incurrence of allowable qualifying expenses. Consequently, at June 30, 2020, conditional grants approximating $429,557 for which no amounts had been received in advance, have not been recognized in the accompanying financial statements.

NOTE 2 – Summary of significant accounting policies – continued

Donated goods, facilities and services

Donated goods and facilities are valued at their fair market value. Donated services are recognized in the financial statements at their fair market value if the following criteria are met:

- The services require specialized skills and the services are provided by individuals possessing those skills.
- The services would typically need to be purchased if not donated.

Although MWFB uses the services of volunteers, the fair value of these services is not recognized in the accompanying financial statements since they do not meet the criteria for recognition under generally accepted accounting principles.

Functional allocation of expenses

Costs are allocated to various programs, grants, contracts, agreements and functions of the organization. The general approach of the plan follows:

- All allowable direct costs are charged to programs, grants, activities and functions;
- Allowable direct costs that can be identified to more than one program are prorated individually as direct costs using a base more appropriate to the particular cost being prorated;
- All other allowable general and administrative costs (costs that benefit all programs and cannot be identified to a specific program) are allocated using a base that results in an equitable distribution.

Advertising

Advertising costs are expensed as incurred. Advertising costs, which are included in promotion expense, totaled $2,291 and $54,354 for the years ended June 30, 2020 and 2019, respectively.

Library costs

The cost of circulating books and other library materials are not recorded as collections but are recorded as an expense in the year purchased, as the useful lives of such items are relatively short.

Income tax status

MWFB is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. However, income from certain activities not directly related to MWFB's tax-exempt purpose may be subject to taxation as unrelated business income. In addition, MWFB qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization other than a private foundation under Section 509(a)(1).

Management of MWFB considers the likelihood of changes by taxing authorities in its filed tax returns and recognizes a liability for or discloses potential significant changes if management believes it is more likely than not for a change to occur, including changes to the organization's status as a not-for-profit entity. Management believes that MWFB met the requirements to maintain its tax-exempt status and has no income subject to unrelated business income tax, therefore, no provision for income taxes has been provided in these financial statements. Accordingly, MWFB has not filed an *Exempt Organization Business Income Tax Return* (Form 990-T) with the Internal Revenue Service (IRS) for the year ended June 30, 2020.

NOTE 2 – Summary of significant accounting policies – continued

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Financial instruments and credit risk

MWFB manages deposit concentration risk by placing cash and money market accounts with financial institutions believed to be creditworthy. At times, amounts on deposit may exceed insured limits. To date, MWFB has not experienced losses in any of these accounts. Uninsured cash totaled $593,749 at June 30, 2020.

Credit risk associated with receivables is considered to be limited due to high historical collection rates and because substantial portions of the outstanding amounts are due from governmental agencies supportive of MWFB's mission; however, there is a potential credit risk and accounting loss that could occur if all parties to the receivables fail to perform their obligations for the stated amounts. These amounts contain no collateral provisions for collection.

Reclassifications

Certain accounts in the prior-year financial statements have been reclassified for comparative purposes to conform with the presentation in the current-year financial statements.

NOTE 3 – Liquidity and availability

MWFB has no internally designated net assets. Financial assets available for general expenditure (without donor or other restrictions limiting their use) within one year of the statement of financial position date comprise the following at June 30:

	2020	2019
Cash and cash equivalents	$ 176,806	$ 70,501
Unconditional promises to give	180,674	159,978
	$ 357,480	$ 230,479

As part of MWFB's liquidity management plan, cash in excess of annual operating requirements is invested in savings and money market funds.

NOTE 4 – Other assets

Other assets at June 30, 2020 and 2019 were as follows:

	2020	2019
App development costs, net	$ 42,649	$ 63,121
Trademark costs	5,654	5,654
	$ 48,303	$ 68,775

NOTE 5 – Property and equipment

Property and equipment at June 30, 2020 and 2019 was as follows:

	2020	2019
Land	$ 240,000	$ 240,000
Building and improvements	1,109,242	1,109,242
Computer equipment and software	22,792	14,977
Office furniture and fixtures	16,696	16,696
Vehicle	28,188	28,188
	1,416,918	1,409,103
Less accumulated depreciation	(220,489)	(184,057)
	$ 1,196,429	$ 1,225,046

NOTE 6 – Refundable advances

In April 2020, MWFB was granted a $66,000 loan under the Paycheck Protection Program (PPP) administered by a Small Business Administration (SBA) approved partner. The loan is uncollateralized and is fully guaranteed by the federal government. MWFB is eligible for loan forgiveness of up to 100% of the loan, upon meeting certain requirements. MWFB has initially recorded the loan as a refundable advance and will record the forgiveness in accordance with guidance for conditional contributions when there is no longer a measurable performance or other barrier and a right to return of the PPP loan. Proceeds from the loan are eligible for forgiveness if they are used for certain payroll, rent, and utility expenses. No contribution revenue has been recorded for the year ended June 30, 2020. MWFB will be required to repay any remaining balance, plus interest accrued at 1%, in monthly payments commencing upon notification of forgiveness or partial forgiveness.

Cost-reimbursable federal, state and foundation grants and contracts received prior to incurring qualifying expenditures are reported as refundable advances in the statements of financial position. These refundable advances totaled $327,770 and $287,253 as of June 30, 2020 and 2019, respectively.

NOTE 7 – Line of credit

MWFB has an unsecured $100,000 revolving line of credit with a financial institution maturing April 2022. The interest rate is variable, 5.25% and 7.50% at June 30, 2020 and 2019, respectively. There was no outstanding balance on the line of credit at both June 30, 2020 and 2019.

NOTE 8 – Retirement plan

During the year ended June 30, 2019, MWFB implemented a SIMPLE retirement plan (Plan) available for all employees to defer compensation. MWFB must make matching employer contributions to the Plan of up to 3% of the employee's compensation for the year. MWFB made contributions of $24,981 and $12,681 to the Plan for the years ended June 30, 2020 and 2019, respectively. All contributions made under the Plan are fully vested.

NOTE 9 – Net assets with donor restrictions

Net assets with donor-specified purpose restrictions were as follows for the year ended June 30, 2020:

	Beginning balance	Additions	Releases	Ending balance
Blue Book House	$ 472	$ 2,000	$ (132)	$ 2,340
Cover to Cover	137,237	65,271	(62,747)	139,761
Culture of learning	-	-	-	-
Employee gifts	532	-	(532)	-

	$ 398,697	$ 435,465	$ (387,655)	$ 446,507

NOTE 10 – In-kind contributions

MWFB received in-kind contributions which are in included in the statements of functional expenses as follows for the years ended June 30, 2020 and 2019:

	2020	2019
Books	$ 25,312	$ 3,705
Promotion	-	21,960
Supplies	2,380	3,262
	$ 27,692	$ 28,927

NOTE 11 – Contingencies

During the year ended June 30, 2016, MWFB was awarded a grant in the amount of $492,700 from Angel Charity for Children for the full and complete payment of MWFB's mortgage note payable. As a condition of the grant, a lien was placed on the property, forgivable on a pro-rata basis over ten years if MWFB continues to use the property for its children and youth programs prior to April 27, 2026. As of June 30, 2020, the remaining balance on the award was $287,408; however, MWFB was in compliance with the terms of the funding agreement.

MWFB is substantially funded by the State of Arizona and United Way of Tucson and Southern Arizona. A significant reduction in this level of support, if this were to occur, could have a material effect on the programs and activities of MWFB. MWFB may be subject to compliance audits by the grantor agencies. The nature and extent of such audits is uncertain and assessments, if any, which could result would be recorded when they become determinable.

NOTE 12 – Subsequent events

Subsequent events have been evaluated through October 2, 2020, which is the date the financial statements were available to be issued.

NOTE 13 – Change in accounting principle

FASB Accounting Standards Codification Topic 606, *Revenue from Contracts with Customers*, as amended, supersedes or replaces nearly all GAAP revenue recognition guidance. These standards establish a new contract and control-based revenue recognition model, change the basis for deciding when revenue is recognized over time or at a point in time, and expand disclosures about revenue. Project Insight has implemented Topic 606 and have adjusted the presentation in these financial statements accordingly. The amendments have been applied retrospectively to all periods presented, with no effect on net assets.

In June 2018, FASB issued ASU 2018-08, *Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*. This standard assists entities in evaluating whether transactions should be accounted for as contributions or exchange transactions and determining whether a contribution is conditional. Project Insight has implemented the provisions of ASU 2018-08 applicable to both contributions received and to contributions made in the accompanying financial statements under a modified prospective basis. Accordingly, there is no effect on net assets in connection with the implementation of ASU 2018-08.
